The Gretna Community Foundation is a nonprofit, community organization created by and for the people of Gretna. We are here to help our donor make a positive impact on their community.

The Foundation was established in 2011 through a partnership with the Midlands Community Foundation. We aim to make giving convenient and efficient for donors through charitable giving accounts that maximize and organize giving.

If you are looking for a way to create community impact, give to your passion or leave a legacy we would like to talk to you. Drop us an email at info@gretnacommunityfoundation.org or visit GretnaCommunityFoundation.org to learn more.

This year proceeds will benefit the mission of the Gretna Community Foundation in support of education and community betterment in and around the Gretna School District.
