

## ABOUT MIDLANDS COMMUNITY FOUNDATION

Midlands Community Foundation (MCF) is committed to enhancing the quality of life for Sarpy and Cass county residents by assisting with community development through financial support and involvement.

For more than 40 years, we have served as a leader by identifying community needs in Sarpy and Cass counties and partnering with corporate and individual donors to make the most of their charitable dollars.

MCF manages more than 175 charitable funds that serve an array of needs in our communities in the areas of arts, community and economic development, education, health and human service. These charitable funds contributed more than \$2.3 million this past year.

In addition, MCF donated more than \$350,000 last year to non-profits that provide programs and services in Sarpy and Cass counties through its grants and discretionary giving programs. The 2023 MCF golf tournament proceeds benefitted Cass and Sarpy County D.A.R.E Programs.

**This year, a portion of the net proceeds and funding from MCF's Children in Crisis Fund will benefit:**

♦ **Cass and Sarpy County Food Pantries**

MCF provides an opportunity for individuals, organizations and corporations to  
*"Invest in the Power of Community."*
