**Midlands Community Foundation Accepting Grant Requests from
Non-profit Organizations Serving Military Veterans and Their Families**

Papillion, Neb., June 2, 2015 – Midlands Community Foundation is accepting grant applications from non-profit organizations that serve the needs of military veterans and their families. Grants will be awarded through the Military Veterans Fund, a designated fund established at MCF with the proceeds from the Foundation’s recent Reflection Ball. Grants are limited to organizations that provide services in the Foundation’s geographic area of Sarpy and Cass counties.

Grants will be distributed to various military and veterans organizations for veterans, families, and caregiver services including, but not limited to, medical assistance, community programs and events, remembering those who have served, and education and job training to transition back to civilian life.

Visit www.midlandscommunity.org for specific guidelines for submitting a grant and/or to obtain a grant application. For more information call 402-991-8027.

The mission of Midlands Community Foundation is to benefit the diverse needs of the Sarpy and Cass county communities by providing financial support, involvement and service.
