

Bob and Vicki Andersen Scholarship – Gretna High School

The purpose of the Fund is to encourage, solicit, receive and distribute a scholarship in support of Gretna graduating student who is attending trade school. Every year the donors will distribute a \$1,000 scholarship based on the recommendation of the Selection Committee at the Gretna School District which will be a one-time and non-renewable gift to the student.

The donor would like Midlands Community Foundation Selection Committee make the recommendation for the scholarship recipient and alternate. The due dates on the Selection Committee Report and Evaluation will change to meet your timeline at Gretna High School. These dates are preliminary until I have confirmed dates from you.

To qualify for the scholarship, a student must fit within the following charitable class:

- a. Must be a current, graduating senior.

Selection of the scholarship recipient shall be made from the qualifying applicants of the above-identified charitable class, based on the following criteria:

- a. The applicant must show financial need.
- b. Applicant has been accepted to a trade school (a copy of acceptance letter must be attached).
- c. Applicant must have work experience (include employer(s) name and year(s) employed)
- d. A letter from the school office stating that the applicant has passing and /or satisfactory grades to graduate.
- e. Applicant can't be convicted of a drug/alcohol offense.
- f. Submission of the application by the deadline date.

The definition of trade school defined by my donors is stated below:

A trade school is a school that focuses on providing graduates with marketable skills. Common examples include but not limited to; esthetician colleges, cosmetology schools, culinary schools, automotive repair training programs, welding program, heating, ventilation, and air conditioning (HVAC) program, electrical program, and training for medical technicians. After graduating from such a school, an individual will be able to enter the job market with his or her skills and work with an organization that recognizes the certification/diploma.
