Midlands Community Foundation Brings Back Matching Charitable Program

Papillion, Neb., October 25, 2017 – Midlands Community Foundation is excited to bring back its *MCF Matching Charitable Program* beginning December 1, 2017, and ending January 5, 2018.

For years, Midlands Community Foundation (“MCF”) has provided donors a simple, powerful and highly personal approach to giving. As 2017 comes to a close, MCF looks forward to again helping donors accomplish their charitable objectives.

Under the Matching Charitable Program, MCF will provide matching funds for **NEW** contributions made to existing and newly created Affiliated General, Designated, Donor Advised, Field of Interest, and Scholarship Funds. Matching donations will be made on a dollar-for-dollar basis up to a limit of \$5,000 per individual donor, and subject to a maximum of \$100,000 of matching dollars being available in the aggregate for all Funds. If more than \$100,000 is contributed on an aggregate basis to all Funds, the matching dollars will be pro-rated among such donors based on the total contributions made.

Last year, 531 donors raised more than \$535,000 to support the missions of 62 charitable funds established at MCF. “We are pleased to again be able to offer our new and existing donors an opportunity to stretch their charitable dollars, raise awareness, and make a difference in the areas that are most important to them,” said Tonee Gay, Midlands Community Foundation Executive Director.

The mission of Midlands Community Foundation is to benefit the diverse needs of the Sarpy and Cass county communities by providing financial support, involvement and service. Since its inception, the Foundation has donated millions of dollars to many worthy organizations.
